**COMMENTS:**

It was pointed out to me that there is a minor typo on Addendum 1 regarding the Bid Bond. The bid bond that is acceptable for the project is EJCDC No. C-430 (2002 Edition). The Addendum mistakenly labeled this as a "EJCEC" document.

The correct bond is the bond that is included in the Bid-Book in Section 00420.

This transmittal is to be considered a clarification for a typo and is not an addendum.

Thank you.
